To: Project Participants – Shimizu Corporation, Hokkaido Electric Power Co. Inc,
Mitsui & Co., Ltd

Municipality of Yerevan City

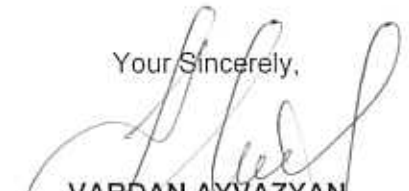

As Minister of Nature Protection of the Republic of Armenia and Designated National Authority for the Clean Development Mechanism under the Kyoto Protocol of the United Nations Framework Convention on Climate Change,

1. I hereby confirm:

- (i) The Republic of Armenia has ratified the United Nations Framework Convention on Climate Change in May 14, 1993 and the Kyoto Protocol in December 26, 2002;
- (ii) the Republic of Armenia participates voluntary in the Clean Development Mechanism;
- (iii) the "Project" will assist the Republic of Armenia in achieving sustainable development goals and contribute to the addressing important environmental issues;
- (iv) the "Project" as defined in the Project Design Document "Nubarashen Landfill Gas Capture and Power Generation Project in Yerevan", submitted in January 25, 2005 to Ministry of Nature Protection of the Republic of Armenia as a Designated National Authority for the Clean Development Mechanism. The "Project" is available on the web-page of UNDP/GEF "Armenia - Country Study on Climate Change" Project at www.nature.am/News/Nubarashen/PDD_Nubarashen.pdf, and www.nature-ic.am/News/Nubarashen/PDD_Nubarashen.pdf as well as on the United Nations Framework Convention on Climate Change official web-page at cdm.unfccc.int/Projects/Validation.

2. I further inform that the "Project" can be submitted to the Clean Development Mechanism Executive Board in order to request registration of the "Project" as a clean development project activity.
3. This letter shall only be valid in case the Project Design Document submitted to the Executive Board of the Clean Development Mechanism for registration corresponds to the information available on the above mentioned web-pages.
4. I look forward to the project smooth start up according to the procedures.

Your Sincerely,

VARDAN AYYAZYAN

Minister of Nature Protection of the Republic of Armenia
and Designated National Authority for the Clean Development Mechanism
under the Kyoto Protocol
